

ZOOM Sealing Strip "D" Classic, white

Description

D-shaped sealing strip for windows and doors, white.

Features

- 7-year guarantee for the elasticity of synthetic rubber
- Resistant to temperature changes from $-40\text{ }^{\circ}\text{C}$ to $+65\text{ }^{\circ}\text{C}$
- Resistant to UV radiation, water and ozone

Technical data

Density	348,33 g/dm ³
Adhesion of adhesive layer to rubber (new)	9,53 N/cm
Adhesion of adhesive layer to enamel (new)	16,03 N/cm
Adhesion of adhesive layer to rubber (after aging)	6,93 N/cm
Adhesion of adhesive layer to enamel (after aging)	9,87 N/cm
Compression set 70 °C / 24 val.	50,67%
Water absorption 21 °C/ 24 val.	0,40%

Sizes

Width x height [mm] 9 x 7,5
Length [m] 100

Storage conditions

Store in a cool, dry place away from direct sunlight and sources of heat. If the product storage requirements are observed, the product is best within 12 months.

Notes

All statements, technical information and product recommendations are based on tests carried out in our laboratories which, to our knowledge, are reliable. However, in all cases the user should determine the suitability of the product for the intended use, and the user assumes all associated risk and responsibility. Neither the seller nor the manufacturer is liable for any direct, incidental or consequential loss or damage arising from the use of the product. Detailed information on test methods is available upon request.
